

GARIA STATION ELECTRIC HUB

Counter Sales Manual — Customer Price List

Shop	Near Narendra Medical Hall, Police Para, Garia Station, Kolkata
Price list date	13 July 2026 (from commercial inventory ledger)
Items covered	135 items across 10 shelf categories
Prepared for	Counter staff — quick rate reference for walk-in customers

How to use this manual

- Every item shows the price to charge the customer (₹, per piece / roll / packet / coil). All rates are already rounded to whole rupees or convenient 5-rupee steps for fast cash and UPI handling.
- Profit margins (18–45%) are already built into these rates — do not discount below the printed price. Purchase costs are kept separately in the ledger, so this manual is safe to show or keep at the counter.
- Loose pieces (screws, clips, switches sold singly from a box) follow the per-piece rate printed here, even when the carton shows a pack price.
- Pictures are real product photographs of the brands stocked on your shelves (MAGIK, PRITAM, HEERA, RK Gold, Z4 Kabel, VELOX, Aastha and others), sourced online; a few generic loose items use a matching representative photo or illustration.

Contents

1.	Main Switches, Meters & Steel Fittings	13 items
